Mt. Vernon Education Foundation

Dream. Inspire. Innovate. The MVEF seeks to inspire students with innovative educational programming that prepares students for a successful life journey. The organization works to facilitate through business and education partnerships, the fostering of programs, alliances, and resources to impact student learning and assist educators within the public school system. The foundation supports these areas through programs, partnerships, and advocacy initiatives. Our school and students will greatly benefit from this fundraiser. Last year, an additional \$2000 in funds otherwise not available was brought in with the Major Saver program.
